

ATHENS DRIVE HIGH SCHOOL ATHLETICS

Compassion Fund

As a Parent Rep, we want you to be aware of a program managed by Mr. Alvin Thompson, Athletic Director, called the Compassion Fund.

This fund has been established to assist any student that shows a legitimate lack of basic needs to either participate in a sports program at Athens and / or other school related activities.

As a Parent Rep, please work with your program's coach to be sure that if there is a student that has been identified with needs that it is conveyed to Mr. Thompson and we will work to address the needs.

All inquiries will be kept strictly confidential.

Thank you!
