

Clean up Day Tasks for Stadium Concessions

Thank you for your help!!!

Storage Room

- Sweep storage room
- Organize supplies
- Organize beverages, (Expired sodas only should be removed from shelf and stacked on floor near door)

Concession Stand

Clean Floor

- Remove Mats, take outside and hose down
- Sweep
- Mop with bleach solution (bucket of water with 1/4 cup bleach, mop bucket in boys bathroom)

Sink Area

- Clean dishes in sink and sanitize
- Wash dish sink
- Wipe off shelves above sink
- Put dishes and supplies away so they are covered
- Wash hand sink

Popcorn Machine (Terri can do this when she returns.)

- Run 2 cups hot water in popper for 10 minutes (Specialty cleaner or with drop of Dawn) Unplug
- Wipe Down inside with hot water and a little Dawn (don't use ammonia based products)
- Remove kettle when cooled and clean outside with straight Dawn

Shelving/storage

Wipe down shelves and organize

Front Counter

Organize shelves underneath and wipe down surfaces

Ice machine

- Vacuum coils, clean out filter
- Wipe down any obvious mold/dirt, use food safe sanitizer/cleaner for inside of the machine.

Refrigeration Units

- Wipe down obvious mold/dirt
- Stock Coolers with Gatorades and water. Make sure newest date bottles are in back of cooler. The Aug 1st dates are fine. The sodas are out of date, do not stock in cooler. Remove old sodas from coolers and place in crates. Gatorades are stored in smaller cooler, and sodas and water are in larger cooler.
